EXTRACTS FROM THE PAPERS PLACED ON THE TABLE OF THE MADRAS LEGISLATIVE ASSEMBLY on the 4th SEPTEMBER 1948 - Answer to Unstarred Question No.27

Pumping sets allotted for agricultural purposes.

27. Question: SRI N. VENKATASUBBAYYA: Will the Honourable the Minister for Agriculture be pleased to state -

(a) the number of pumping sets allotted - district-war- for agricultural purposes;

(b) on what basis this allotment has been made;

(c) whether it is a fact that in Kurnool district ~~he~~ there are no irrigation facilities and that there is heavy demand for these pumping sets;

(d) how many applications have been registered by the District Agiruclutural Officer for the supply of pumping sets on hire; and

(e) What steps the Government have taken to increase the supply to the department for being hired to the ryots?

ANSWER.

(a) A statement* showing the number of petrol and oil engine pump-sets allotted by the Agricultural Department - district-war - is placed on the table of the House.

(b) The allotment has been made based on the requirements of the districts as reported by the District Agricultural Officers.

(c) Though there is the Kurnool-Cuddapah canal in the district the sources of irrigation through canals and tanks are very few. The demand for pumping sets in the district has not been great so far.

(d) Fortyfive applications were registered by the District Agricultural Officer, Kurnool, for the supply of pump-sets on hire.

(e) The Five Year Plan for Food Production 1947-48 to 1951-52 contemplates the purchase of 300 oil engines by the Agricultural Department in the first three years of the plan. The purchase of 100 engines has been sanctioned in March 1948 and steps are being taken by the Director of Agriculture to purchase them.
